TECHNICAL SUPPORT

MS. MAHIMA SHARMA

FROM THE DESK OF THE PRINCIPAL

Striving for a vibrant and dynamic academic atmosphere is a wholesome and holistic exercise. This calls for the integration of students in the qualitative processes of the College. It necessitates an innovation ecosystem to hone the skills of students in diverse programs to mould them to become notable change-makers of the society. The aim is to make learning an enriching, fulfilling, and enjoyable experience through a multidisciplinary approach, combining theory and practice in pedagogy. The focus should be on not only 'what is taught' but also 'the way it is taught'; the thrust has to be on socially relevant, locally need-based, nationally important, and globally significant research initiatives. Creating fertile ground for effective synergies between research and teaching skills, nurturing and fostering critical thinking and problem-solving among students is imperative. Hence, our persistent efforts must be to leverage the intellectual and emotional capabilities of students, encourage the free and spirited exchange of ideas to celebrate diversity, while ensuring inclusivity. It should be our collective endeavour to promote an inspirational, motivational, value-based academic environment.

As you scan through the pages of this Newsletter, it will enlighten you with the important milestones that College has achieved in this period.

This document should be a good source of guidance for faculty and coming batches of students in choosing activities of their choice in their future for building their career.

I appreciate the commendable efforts of the students and staff of the College and congratulate them on the publication of this newsletter Quality Reporter.

With best wishes,

VISION

An effective vision statement is vital to a strategic planning process. A vision statement describes what an institution aspires to become in future and the value it enshrines. To educate, empower and make the individual and human resourceful, GLDM Degree College, Hiranagar has the following vision:

1. To educate, empower and make the human enlightened.
2. To attain higher level of access and excellence in the Higher Education system of rural border belt, with greater efficiency, transparency and responsiveness.
3. To explore and nurture the hidden talent of rural students in general and girls in particular.
4. To disseminate knowledge and wisdom among students so as to make them responsible citizens of the country.

MISSION

A mission is fundamental to strategic planning. It is an assertion of the Institution's purpose and should easily define its ideals as well as the services provided to various stakeholders. It reflects institution's financial planning, budgeting, staffing and academic programming. The mission statement speaks volumes about aims and goals of an institution. The mission of GLDM Degree College Hiranagar is:-

1. To promote quality education through continuous effort, conviction and commitment.
2. To empower women and enable them to rise above all constraints.
3. To introduce innovative courses which strengthen educational inputs for the betterment of the society and enable our students to face challenges of life effectively.
4. To develop all round personality of students through various curricular and co-curricular activities.

INSTITUTIONAL CORE VALUES

The institute takes much efforts and interest to empower education on moral and ethical values.

1. Symposia and guest lectures on relevant topics to sensitize the girl students are organized.
2. Gender sensitization committee has been framed in the college to look after the gender related issues.
3. The college organizes various programmes to create awareness among students on campus and involve them in maintaining Eco-friendly environment.
4. The college regularly organizes/celebrates National festivals, birth and death anniversaries of the great personalities. A programme is organized on the birth anniversary of Mahatma Gandhi Ji every year. The Independence Day and the Republic Day are also celebrated very passionately.
5. The external auditor verifies income and expenditures of various financial aspects.
6. The institution strives hard to provide a best place to work to the faculty members.
7. It aims to ensure production, security, cultural and social development, welfare measures and conducive Environment, and offers opportunities for all according to their ability without Discrimination

OBJECTIVES

1. To develop the conative and cognitive abilities of the students.
2. To give technological acumen and make them self-reliant.
3. To introduce job-oriented courses.
4. To develop resourcefulness in the students of downtrodden sections of the society.

IN PURSUIT OF EXCELLENCE

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

FUNCTIONAL DOMAIN OF IQAC

Some of the functions expected of the IQAC are:

1. Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
2. Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
3. Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
4. Dissemination of information on various quality parameters of higher education.
5. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
6. Documentation of the various programmes/activities leading to quality improvement.
7. Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
8. Development and maintenance of institutional database through MIS for the purpose of

maintaining /enhancing the institutional quality.
Development of Quality Culture in the institution.

BENEFITS

IQAC will facilitate / contribute to:

1. Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
2. Ensure internalization of the quality culture.
3. Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
4. Provide a sound basis for decision-making to improve institutional functioning.
5. Act as a dynamic system for quality changes in HEIs.
6. Build an organized methodology of documentation and internal communication.

STRATEGIES

IQAC shall evolve mechanisms and procedures for

1. Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
2. The relevance and quality of academic and research programmes.
3. Equitable access to and affordability of academic programmes for various sections of society.
4. Optimization and integration of modern methods of teaching and learning.
5. The credibility of evaluation procedures.
6. Ensuring the adequacy, maintenance and proper allocation of support structure and services.
7. Sharing of research findings and networking with other institutions in India and abroad.

ACTIVITIES AT A GLANCE

1. AWARENESS LECTURE ON TOBACCO-FREE EDUCATIONAL INSTITUTIONS ORGANIZED AT GLDM GDC HIRANAGAR ON 05.12.2024.

An awareness lecture under the "Tobacco-Free Educational Institutions" initiative was successfully organized by the National Service Scheme (NSS) unit of GLDM Government Degree College, Hiranagar. The program was spearheaded by NSS Program Officer, Prof. Shapia Shameem, with active participation from dedicated NSS volunteers.

The event was graced by the presence of Dr. Pragya Khanna, Principal of GLDM GDC Hiranagar, who served as the Chief Guest. In her address, Dr. Khanna emphasized the need to cultivate a healthy and tobacco-free environment within educational institutions. She lauded the NSS unit for their proactive role in spreading awareness among students about the harmful effects of tobacco. The keynote speaker, Dr. Pawan Kumar, Senior Resident In the Department of Oncology at Government Medical College, Kathua, delivered an insightful and engaging lecture. He elaborated on the severe health risks associated with tobacco consumption, including its link to life-threatening diseases such as cancer. Dr. Kumar also highlighted the importance of youth adopting a tobacco-free lifestyle and becoming ambassadors of health within their communities.

2. GLDM GDC HIRANAGAR ORGANISES A CAREER COUNSELING SESSION INSPIRING STUDENTS TO EXPLORE OPPORTUNITIES IN THE INDIAN ARMY ON 06.12.2024..

A career counseling session was successfully conducted at GLDM Government Degree College Hiranagar. The event, aimed at guiding students toward diverse career options, was organized with the valuable support of the NSS Program Officer, Prof. Shapia Shameem, and NSS Advisory Member Prof. Rakesh Sharma. Prof. Rajni, and Prof. Ganga. Prof. Anupama also played a key role in ensuring the program's success. The session featured Lieutenant Ajinkya and his team from the Indian Army's 31 Punjab Unit, who served as the resource persons for the event. They provided the

students with detailed insights into various schemes and career opportunities available for women in the Indian Army. The team discussed the growing presence and support for women in the armed forces, emphasizing the increasing roles they can take on, and the myriad of opportunities for empowerment and career growth. The event proved to be both highly informative and motivational, inspiring students to consider a career in the Indian Army, particularly women who are encouraged to explore these avenues. The guidance provided by the army officers offered students a unique perspective on serving the nation while also building fulfilling and rewarding careers. This session further strengthened GLDM GDC Hiranagar's commitment to empowering its students with valuable knowledge and diverse career options. The college continues to offer a platform for young minds to learn, explore, and pursue their dreams.

3. GOVT. G.L.D.M DEGREE COLLEGE, HIRANAGAR ORGANISES FIELD VISIT TO CHAJARTH POND ON 11.12.2024.

Department of Environmental Sciences of Govt. G.L.D.M Degree college, Hiranagar, arranged Field visit to nearby Chajarth Pond on 10-12-2024. The visit was organized for the students of Sem I (Minor course). The visit was part of their Course Curriculum. The aim of the field visit was to connect with nature, learn importance of wetlands, conservation and importance of plants and animals. The students studied the abiotic and biotic components of Pond Ecosystem. Students performed on spot studies, collect data through their own observations and also took samples of pond water for further studies of physical parameters in the Environmental Science Laboratory of the College. The visit was organized under the esteemed guidance of principal of the college Dr. Pragya Khanna. She said such field visits impart practical knowledge among students, create environmental awareness and lead to conservation of plants. The Visit was organized under the supervision of Prof. Neeru Sharma (HOD, Department of Environmental Sciences). Dr. Anupma Arora, Prof. Rakesh Sharma and Dr. Zahid accompanied the field visit and guided the students in their best ways.

4. GDC HIRANAGAR COMMEMORATES CONSTITUTION DAY ON 14.12.2024.

NSS Unit and Electoral Literacy Club (ELC) of GLDM Government Degree College, Hiranagar, celebrated Constitution Day with great enthusiasm and fervor under the visionary leadership of Dr. Pragya Khanna, Principal of the college. The said symposium was the initiative of

Prof. Shapia Shameem, NSS PO and Prof. Amit Sharma, Convener ELC organized to highlight the importance of the Constitution of India and to instill constitutional values among students. Program started with pledge taking ceremony and the entire program was compared by saloni, Active NSS volunteer. A panel of distinguished jury members comprising Prof. Kawaljeet Kour (Head, Department of Economics), Prof. Rajesh Sharma (Head, Department of Mathematics), and Prof. Rakesh Sharma evaluated the participants. Near about 20 participants shared their insightful knowledge on the said theme "Constitution as the cornerstone of our Democracy". Savbhi, Chinmay and saloni were adjudged as 1st 2nd and third along with Rekha, Saloni and Arti as consolation winners. Dr. Rajni Bala played a pivotal role in making the event a grand success. Among the notable attendees were Dr. Vijay Sharma (NSS member), Prof. Ganga (NSS Member) Prof. Anupama, Prof. Neeru, Dr. Mukesh, Dr. Inaam, Neharika, and Neetu. The event concluded with an insightful discussion on the significance of the Constitution in modern governance and the role of youth in upholding democratic values.

5. NSS UNIT "CHESHTA" OF GLDM GDC HIRANAGAR ORGANIZES HEARTWARMING DONATION DRIVE "TO SHARE IS HUMAN" ON 16.12.2024.

The NSS Unit "Cheshta" of GLDM Government Degree College, Hiranagar, Prof. organized a heartfelt donation drive under the theme "To Share is Human" to support the underprivileged during the harsh winter season. Spearheaded by the visionary leadership of Dr. Pragya Khanna, Principal of the College, the initiative focused on distributing warm clothes to those in need.

The event saw active participation from dedicated volunteers, including Saloni, Mohit, Dakshita, Priya, Arti, Rekha, Chinmay, Savbhi, Chanchal, Ankita, Rahul Singh, Virender Mathur, Aditya Singh, Simmi Sharma, Babita Devi, and others. Through this thoughtful act, the College has not only spread warmth but also set an inspiring example of compassion and humanity.

6. G.L.D.M. GOVT. DEGREE COLLEGE, HIRANAGAR, HOSTS SEMINAR ON AIDS AWARENESS ON 16.12.2024.

G.L.D.M. Govt. Degree College, Hiranagar, organized a seminar on HIV/AIDS awareness in collaboration with Govt. Hospital, Hiranagar. The event aimed to educate students about HIV/AIDS, promote health awareness, and encourage students to become ambassadors of awareness in their communities. The seminar was held under the banner of the Red Ribbon Club, a voluntary organization that works to promote awareness about HIV/AIDS and provide support to people living with the disease. Prof. Roopali Jamwal, Convener of the Red Ribbon Club, started the event. She highlighted the role of NACO and the J&K AIDS Control Society in initiating such activities in Higher Education Institutions (HEIs). Dr. Neha

Sharma, Medical Officer at Govt. Hospital, Hiranagar, delivered an engaging and informative session, dispelling common myths surrounding HIV/AIDS. She emphasized the importance of safe practices, regular testing, and early treatment. Dr. Sharma also highlighted the need for reducing stigma and discrimination against people living with HIV/AIDS. Dr. Pragya Khanna, Principal of the college, emphasized the importance of such awareness programs in promoting health and well-being among students. "It is essential for young people to have accurate information about HIV/AIDS and to develop healthy attitudes and behaviors," she said. The seminar was attended by over 200 students, faculty members, and staff. The event provided a platform for students to ask questions, clarify doubts, and engage in discussions about HIV/AIDS. The event was coordinated by Prof. Roopali Jamwal, Convener of the Red Ribbon Club, in collaboration with Dr. Bharat Bhushan, Head of the Department of Music. Dr. Vijay Chauhan concluded the event by extending the vote of thanks. The college has been actively involved in promoting awareness about HIV/AIDS and has organized several events and activities in the past. The Red Ribbon Club has been instrumental in promoting awareness and providing support to people living with HIV/AIDS.

7. GLDM GDC HIRANAGAR CONDUCTS WORKSHOP ON EMPLOYMENT GENERATION VIA CULTIVATION & ENTREPRENEURSHIP OF MUSHROOM & OTHER FARM PRODUCTS IN COLLABORATION WITH THE DEPARTMENT OF AGRICULTURE, KATHUA ON 19.12.2024.

8. GOVERNMENT DEGREE COLLEGE (GDC), HIRANAGAR, THROUGH ITS INSTITUTIONAL INNOVATION COUNCIL (IIC), ORGANIZED A SEMINAR on 21.12.2024

Government Degree College (GDC), Hiranagar, through its Institutional Innovation Council (IIC), organized a seminar on “Fellowships and Career Opportunities in the Impact Sector” to inspire students in the realm of social entrepreneurship and rural development. The event was held in collaboration with SBI Youth for India Fellowship, a flagship initiative that encourages young professionals from diverse backgrounds to work within rural communities, addressing developmental challenges and supporting sustainable growth.

The session commenced with a warm welcome from Prof. Roopali Jamwal, Startup Coordinator of the college’s IIC. In her introductory remarks, Prof. Jamwal outlined the importance of innovation in rural settings and gave an overview of the various startup projects driven by the SBI Youth for India Fellowship program. She highlighted how the fellowship equips young leaders with the skills and resources to initiate and support community-based projects, fostering sustainable solutions in the country’s rural landscape.

The seminar's keynote speaker, Mr. Abhishek Iyappan, provided students with a comprehensive view of the fellowship's structure, discussing the extensive training, mentorship, and research opportunities it offers to young entrepreneurs across multiple sectors. Mr. Iyappan emphasized the fellowship's hands-on approach, where participants work directly with rural communities to design, implement, and scale impactful solutions that address pressing local issues. Through practical examples, he illustrated how the fellowship encourages a blend of innovation and empathy, empowering participants to make a tangible difference.

Dr. Bharat Mahajan, who also contributed to the session, shared his own experiences and insights into the broader impacts of rural development initiatives. He underscored the potential of such fellowships to bridge the gap between academic knowledge and real-world application, ultimately promoting a new generation of socially responsible leaders.

In her address, Dr. Pragya Khanna, Principal of GDC Hiranagar, underscored the importance of fostering a supportive ecosystem for innovation within educational institutions. She noted that proactive initiatives like this seminar are essential in cultivating an environment where students feel encouraged to pursue unique, purpose-driven career paths that contribute positively to society.

The seminar concluded with a vote of thanks delivered by Prof. Shapia Shameem, expressing gratitude to all participants and contributors for their dedication to the event's success. Also present were Prof. Bindu Sharma, President of the IIC, and Prof. Punam Rani, who showed their support for the initiative, reinforcing the college's commitment to fostering a culture of innovation and entrepreneurship among students.

9. NATIONAL MATHEMATICS DAY CELEBRATED AT GOVT. GLDM DEGREE COLLEGE HIRANAGAR ON 26.12.2024

Govt. G.L.D.M Degree College, Hiranagar under the aegis of Department of Mathematics and IQAC celebrated NATIONAL MATHEMATICS DAY (The 137th Birth Anniversary of great

Mathematician Srinivas Ramanujan). The Programme started with lightening of the traditional lamp, followed by Sarsvati Vandana. In her Inaugural message, Principal of the College, Dr. Pragya Khanna welcome the invited guest and conveyed her best wishes to all the faculty members and students on the occasion of National Mathematics Day. Dr. Rajesh Sharma, HOD Mathematics and Convenor of the programme also spoke on the occasion by giving the detailed introduction of the department and awarded the students about the role of mathematics in science and technology and contributions of Srinivas Ramanujan in the field

of mathematics. Dr. Rajiv Kumar, Assistant Professor, Department of Mathematics, IIT Jammu was the Resource Person during the programme. He gave the detailed note on the concept of congruence and use of its applications in daily life. He encouraged and motivated the students to understand and to learn basic tools of Mathematics. Students from different Semesters also participated in various competitions. A Poster presentation and Oral / PPT presentation Competition was organized by the Department of Mathematics. Prof. Amit Kumar Sharma and Dr. Ram Krishan acted as Jury members in the Poster Presentation Competition and Dr. Rajni Bala and Prof. Shapia Shameem acted as Jury members in the Oral/ PPT presentation competition. Priya Devi, Kamakshi Sharma and Chahat Sharma Stood 1st, 2nd and 3rd respectively in the Oral / PPT Presentation Competition whereas Shavi Sharma, Krish Sharma and Anmol Sharma stood 1st, 2nd and 3rd respectively in the Poster presentation Competition during the programme. The occasion was also attended by all the faculty members and Non- Teaching staff members of the College. Finally, Dr. Aditi Sharma from Department of Mathematics presented Vote of Thanks.

10. GLDM GDC HIRANAGAR SIGNED MOU WITH SPPND GDC SAMBA ON 30.12.2024

Government GLDM Degree College Hiranagar and SPPND Govt. Degree College, Samba sign MoU for fostering research, innovation and incubation, promoting cultural and sports exchange, nurturing an entrepreneurial spirit, skill development, organising workshops, training programs, coaching clinics for students and faculty exchange programs.

11. GLDM GDC HIRANAGAR ORGANIZED A BLANKET DONATION DRIVE ON 31.12.2024

Continuing the tradition of sharing warmth during the winter season, GLDM GDC Hiranagar organized a blanket donation drive under the banner of "To Share is Human" by the NSS unit of the college. The initiative was aimed at providing relief to those in need amidst the chilly weather.

Faculty members of the college actively participated, contributing generously within their capacities to support the noble cause. The drive took place at Ward No. 13, Deepak Chowk, Hiranagar, where the blankets were distributed to the underprivileged.

Dr. Pragya Khanna, Principal of GLDM GDC Hiranagar, applauded the efforts of the NSS unit and the faculty, emphasizing the importance of such acts of kindness in fostering a spirit of community and compassion.

This heartfelt initiative by the college not only brought comfort to those in need but also reinforced the value of sharing and humanity during challenging times.

12. GLDM GDC HIRANAGAR CELEBRATED LOHRI ON 11.01.2025

The most popular festival Lohri was celebrated with great zeal and enthusiasm under the dynamic leadership of esteemed Principal Dr. Pragya Khanna. On this occasion all the teaching, non-teaching and students participated. During the celebrations Mungfali, Gazak, Chivda, Revdi, batashe etc firstly devoted to the Agnidev and then distributed among all the staff members and students. Lohri is not just about tradition but also a time for joy, unity, and gratitude for nature's blessings. It sets a warm and festive tone for the year ahead.
