Striving for a vibrant and dynamic academic atmosphere is a wholesome and holistic exercise. This calls for the integration of students in the qualitative processes of the College. It necessitates an innovation ecosystem to hone the skills of students in diverse programs to mould them to become notable change-makers of the society. The aim is to make learning an enriching, fulfilling, and enjoyable experience through a multidisciplinary approach, combining theory and practice in pedagogy. The focus should be on not only 'what is taught' but also 'the way it is taught'; the thrust has to be on socially relevant, locally need-based, nationally important, and globally significant research initiatives. Creating fertile ground for effective synergies between research and teaching skills, nurturing and fostering critical thinking and problem-solving among students is imperative. Hence, our persistent efforts must be to leverage the intellectual and emotional capabilities of students, encourage the free and spirited exchange of ideas to celebrate diversity, while ensuring inclusivity. It should be our collective endeavour to promote an inspirational, motivational, value-based academic environment.

Dr. Pragya Khanna

As you scan through the pages of this Newsletter, it will enlighten you with the important milestones that College has achieved in this period.

This document should be a good source of guidance for faculty and coming batches of students in choosing activities of their choice in their future for building their career.

I appreciate the commendable efforts of the students and staff of the College and congratulate them on the publication of this newsletter Quality Reporter.

With best wishes,

CO-ORDINATOR'S NOTE

As an in-campus quality structure, the Endeavour of College IQAC has been to institutionalize quality in all the spheres; academics, internal assessment, infrastructure, sports, support service to students and integration of technology in teaching -learning. The objective is to create a vibrant academic culture and also encourage academic exchange programmes through collaborative linkages.

Quality is a holistic concept and requires multifarious activities for achieving excellence. Restructuring of academic processes, progressive introduction of technology based teaching pedagogies, using the related LMS (Learning Management System) software, access to e – resources for both faculty and students, strengthening of technology supported infrastructure, up scaling the students' support services on campus and reviewing the relevance of the courses are assuming greater significance in the process of quality promotion.

Quality is becoming the defining element in the higher education in the light of globalization of education, and knowledge based society powering the economic growth. This calls for a paradigm shift in our approach from inertia to a vibrant functional planning.

The publication of The **QR**, a quality related newsletter by IQAC is an effort to reach out to stakeholders with the quality related information to elicit the suggestions for further improvement and covers events organized during December, 2022. We are grateful to College administration, faculty, and non- teaching staff for making quality promotion a collective Endeavour

EDITOR'S NOTE

It is with immense pleasure that I am given the opportunity to work on this edition of the QR-IQAC newsletter. A newsletter mirrors a college – its vision and mission. It also highlights events, activities, academic prowess and achievements.

This newsletter will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. “The QR” will be a medium to provide proper acknowledgement and respect to all those who work behind the scenes, overtime round the clock planning things and acquiring results. The newsletter is intended to be published every month. This issue is a brief account of all the events held in December, 2022. The editorial board accepts suggestions and comments to improve the quality of newsletter.

I extend my heartiest thanks to all the staff members and students who helped me in bringing out this Edition of “QR-IQAC Newsletter”.

VISION

An effective vision statement is vital to a strategic planning process. A vision statement describes what an institution aspires to become in future and the value it enshrines. To educate, empower and make the individual and human resourceful, GLDM Degree College, Hiranagar has the following vision:

1. To educate, empower and make the human enlightened.
2. To attain higher level of access and excellence in the Higher Education system of rural border belt, with greater efficiency, transparency and responsiveness.
3. To explore and nurture the hidden talent of rural students in general and girls in particular.
4. To disseminate knowledge and wisdom among students so as to make them responsible citizens of the country.

MISSION

A mission is fundamental to strategic planning. It is an assertion of the Institution's purpose and should easily define its ideals as well as the services provided to various stakeholders. It reflects institution's financial planning, budgeting, staffing and academic programming. The mission statement speaks volumes about aims and goals of an institution. The mission of GLDM Degree College Hiranagar is:-

1. To promote quality education through continuous effort, conviction and commitment.
2. To empower women and enable them to rise above all constraints.
3. To introduce innovative courses which strengthen educational inputs for the betterment of the society and enable our students to face challenges of life effectively.
4. To develop all round personality of students through various curricular and co-curricular activities.

INSTITUTIONAL CORE VALUES

The institute takes much efforts and interest to empower education on moral and ethical values.

1. Symposia and guest lectures on relevant topics to sensitize the girl students are organized.
2. Gender sensitization committee has been framed in the college to look after the gender related issues.
3. The college organizes various programmes to create awareness among students on campus and involve them in maintaining Eco-friendly environment.
4. The college regularly organizes/celebrates National festivals, birth and death anniversaries of the great personalities. A programme is organized on the birth anniversary of Mahatma Gandhi Ji every year. The Independence Day and the Republic Day are also celebrated very passionately.
5. The external auditor verifies income and expenditures of various financial aspects.
6. The institution strives hard to provide a best place to work to the faculty members.
7. It aims to ensure production, security, cultural and social development, welfare measures and conducive Environment, and offers opportunities for all according to their ability without Discrimination

OBJECTIVES

1. To develop the conative and cognitive abilities of the students.
2. To give technological acumen and make them self-reliant.
3. To introduce job-oriented courses.
4. To develop resourcefulness in the students of downtrodden sections of the society.

IN PURSUIT OF EXCELLENCE

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

FUNCTIONAL DOMAIN OF IQAC

Some of the functions expected of the IQAC are:

1. Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
2. Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
3. Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
4. Dissemination of information on various quality parameters of higher education.
5. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
6. Documentation of the various programmes/activities leading to quality improvement.
7. Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.

8. Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality.
9. Development of Quality Culture in the institution.

BENEFITS

IQAC will facilitate / contribute to:

1. Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
2. Ensure internalization of the quality culture.
3. Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
4. Provide a sound basis for decision-making to improve institutional functioning.
5. Act as a dynamic system for quality changes in HEIs.
6. Build an organized methodology of documentation and internal communication.

STRATEGIES

IQAC shall evolve mechanisms and procedures for

1. Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
2. The relevance and quality of academic and research programmes.
3. Equitable access to and affordability of academic programmes for various sections of society.
4. Optimization and integration of modern methods of teaching and learning.
5. The credibility of evaluation procedures.
6. Ensuring the adequacy, maintenance and proper allocation of support structure and services.
7. Sharing of research findings and networking with other institutions in India and abroad.

29TH ONLINE LECTURE OF MANTHAN

Vidwan Shri Rajeshji from Bangalore featured in 29th Online Lecture of Manthan organized by Department of Music, GLDM GDC Hiranagar. The programme began with a welcome address presented by Dr. Bharat Bhushan, Head, Department of Music of the college. In this lecture the guest was K.S. RAJESH (Flute Artist, Music Composer) and Founder of Nirvan Foundation Trust, Bangalore. He has undergone rigorous training in Hindustani Classical music under the coveted tutelage of his Guru Sri.K.Pundalika Shenoy, a pioneer in the tradition of Hindustani Flute playing. Having received an initiation of culture and tradition in the sphere of music, Rajeshji has always tried to maintain a blissful expression of Instrumental Music in his style of flute playing, merging with the Gayaki Ang to express the character of the instrument in greater depth and has received a lot of appreciation for

the sweetness in his music in the course of his performances both as a soloist and accompanist in several music concerts in prestigious music festivals . In the course of his Sadhana and advanced study of music, Rajeshji is presently seeking the support and guidance of the Legendary Flute Maestro Pandit Hariprasad Chaurasia and has been fortunate and blessed enough to accompany this great maestro in many concerts. He explained about the need for the deeper insight in the study of Indian classical music
