UNIVERSITY OF JAMMU, JAMMU

STATUTES GOVERNING FOUR YEARS UNDER GRADUATE PROGRAMMES (FYUGP) AS PER NATIONAL EDUCATION POLICY (NEP) 2020

1. PREAMBLE

The government of India has notified National Education Policy (NEP) 2020 on July 29, 2020 based on Dr. Kasturirangan committee's report. The objective is to have holistic and multidisciplinary under-graduate education to produce employable graduates with integrated personality.

The University of Jammu in sync with the academic and administrative reforms recommended in NEP 2020 has designed a Curriculum Framework for Undergraduate Programmes in semester mode under various disciplines from the Academic Session 2022-23. The thrust of NEP under Choice based Credit System (CBCS) is on continuous learning and evaluation, interdisciplinary study and accumulation of course credits. It aims at making the academic programs student oriented, flexible, interdisciplinary and relevant to the times. The students will have ample freedom to select the electives that suit their interest, aptitude and needs. The student is provided abundant opportunity during the programme of study to accumulate credits by opting for **Major Courses (MJ)**, **Minor Courses (MI)**, **Multidisciplinary Courses (MD)**, **Ability Enhancement Courses (AE)**, **Skill Enhancement Courses (SE)**, **Value Added Courses (VA)** under various disciplines. Students will choose major, minor, multidisciplinary and other courses at the time of their admission. This system aims to strengthen the academic potential of the student, as it provides flexibility in the choice of courses offered beyond the framework of the respective disciplines of study.
