## Principal's Message

I feel proud and privileged to be the part of Girdari Lal Dogra Memorial Degree College, Hiranagar. At this juncture, I gratefully acknowledge the yeomen service rendered by the visionary predecessors, dedicated teachers and ever supporting parents who have worked selflessly and tirelessly to bring glory and honor to this institution.

We are living in a fast changing world today. Everything is changing at a speed. Human life in general has become more frustrating and complex today. As an educationist, I personally believe that no one would ever argue for a valueless system of education. If everyone believes and accepts that education is a formative process, then the teachers in particular have a greater role to play in the fast changing today's world to instill human values in the students and to prepare them to face life as it comes.

I am pleased to acknowledge that GLDM Degree College, Hiranagar lays its stress not just on academic excellence but on "character formation with academic excellence". It motivates students to always aim high and cultivate core values at a first place for integrity of character and maturity in behavior, pursuit of excellence and creative genius, respect of the human person with an emphasis for elders and teachers, loyalty to the nation and a balanced understanding of the prevailing global situation.

I wish and pray that the students of GLDM Degree College, Hiranagar may imbibe the qualities of human values and become socially conscious, intellectually competent, culturally relevant, morally upright, religiously vibrant and emotionally balanced.

Best wishes for an enriching and fruitful academic year!

Principal

**Dr. T. R. Sharma**

## *Convenor's Message*

I am extremely confident that Girdari Lal Dogra Memorial Degree College, Hiranagar since its genesis in 2005 has offered itself as a shell for sheltering & fostering human minds in their raw state to be matured into empowered innovators. The college Newsletter PRATIBIMB reflects that the college in these years has unlocked the storehouse of creative geniuses.

The wheel of excellence and continual progress has been steered with values & conventions. Quality education, constant improvement in infrastructure, educational technology, teaching and learning processes has fortified innumerable efforts to set the wheel on its track.

It is the need of the hour that we should come forward to strengthen the roots of the students so that in return we will get healthy minds for the betterment of the society in general and community in particular. Meeting this need, GLDM Degree College, Hiranagar set up a standard of learning and caring of young minds.
